Admission Policy

We ask that you arrive at the test center 15 minutes before your scheduled appointment time. This will give you adequate time to complete the necessary sign-in procedures. The test centre will need to verify your Date of Birth with our records. We can only accept your passport as form of valid ID, so please be prepared to show your passport as ID. If you are unable to provide the correct ID and verify your date of birth, you will be refused admission and exam fees will be forfeited. If you arrive more than 15 minutes late, you may be refused admission and exam fees may be forfeited.

No personal items may be taken into the testing room. This includes all bags, books not authorised by the sponsor, notes, phones, pagers, watches and wallets.

All candidates are required to adhere to the candidate and test centre rules in the test centre and while sitting the CBT. Please note that if you do not follow the rules or the instructions of the test administrator (TA), your examination result may be withheld or cancelled, and your examination fee may not be refunded.

The test centre will always inform us if a candidate does not comply with the rules, and the candidate may be subject to a misconduct investigation. This may delay your application to the NMC, and/or could prevent you from joining the register.

Re-schedule Policy

If you wish to reschedule your exam, you must contact Pearson VUE 24hrs prior to your scheduled appointment. Rescheduling less than 24hrs prior to your appointment may result in you not getting your exam fees refunded.

Cancellation Policy
